

## **AL MAZRAA WATER WELL DRILLING EST**

AL MAZRAA WATER WELL DRILLING EST is one of leading companies in United Arab Emirates, active in water well drilling works, trading with drilling rigs and spare parts of rigs.

AL MAZRAA WATER WELL DRILLING EST, establishment in 1994, specialized in water well drilling, Dewatering wells, Groundwater research, allocate groundwater resources, with highest standards in Health, Safety and Environment plus highest quality and asset integrity.

AL MAZRAA WATER WELL DRILLING EST, had Executed many drilling projects which means Thousands of water well in UAE and Saudi Arabia through our huge and various Types of Drilling Rigs, experienced, skilled technical crews and qualified administrative staff.

Understand client's needs and meet their requirements through provision of Rigs, equipment and qualified, experienced and skilled drilling crew who Follow international Standards and the latest technology to achievement of aims and corporate with rules of Government.

Our focuses on accessibility, versatility, accuracy, efficiency and safety to meet our clients requirements.

Before starting a Project, we make every attempt to ascertain our customers' present and future needs in order to help select the best possible location and size. This information allows us to provide a proposal that reflects aquifer type and anticipated well drilling depth.

DATE	Contract Type	PROJECT DESCRIPTION	CLIENT
10/3/2001	Main contractor	Drilling 125 wells of depth (+/-) 700 feet in Seraa- Al Ain area	Department of Agriculture & Livestock
7/4/2005	Sub contractor	Drilling 15 water wells of 1200 feet depth	Department of Agriculture & Livestock
18/5/2006	Sub contractor	Drilling 50 water wells in 500 feet in Al Ain area	Department of Agriculture & Livestock
30/11/2006	Main contractor	Drilling 50 water wells of 900 feet depth and supply & install 12" Casing & Screen and well testing in Wahat Al Sahra- Al Ain area	Department of Agriculture & Livestock
20/6/2007	Sub contractor with AL Wadi Engineering Contracting	Drilling 100 water wells of 1000 feet depth and supply & install 16" Steel Casing and blocking the salty layer with cement in Seih alraheel, Roqiaat and Wahat al sahraa - Al Ain area	Department of Agriculture & Livestock
15/6/2008	Main contractor	Drilling 38 water wells of 1000 feet depth and supply & install 12" Casing & Screen and well testing in Seih Al Araad- Al Ain area	Department of Agriculture & Livestock
26/8/2008	Main contractor	Drilling 50 water wells of 900 feet depth and supply & install 12" Casing & Screen and well testing in Seih Al Raheel- Al Ain area	Department of Agriculture & Livestock
1/6/2008	Main contractor	Drilling 250 water wells of 650 feet depth in Ajban- Al Ain area	Department of Agriculture & Livestock

9/9/2009	Main contractor	Drilling 37 water wells of 1000 feet in Oya- Al Ain area	Department of Agriculture & Livestock
2/10/2009	Sub contractor with AL	Drilling 37 water wells of 1000 feet depth in AL Ajban area- Al Ain ( 11/588/1/6)	Department of Agriculture & Livestock
	Ethad Drilling Est		
15/8/2009	Main contractor	Drilling 12 water wells of 1000 feet depth and supply and install casing &screen	Al Jadaf Electro-Mechanic Co
10/11/2009	Sub contractor with Zaid and Omer Drilling Est	Drilling 25 wells of depth 650 feet Al Ain area	Department of Agriculture & Livestock
7/8/2010	Sub contractor with Top City Drilling Est	Drilling 20 wells of depth 350 feet Al Ain area	UAE University
26/12/2013	Sub contractor with Khalaf & Mohamad Drilling Est	Drilling 38 water wells of +,- 1200 feet and Install 12" upvc casing and screen for total depth in Bida Fares, Al Ain area	ADFCA
20/3/2013	Sub contractor with Essa engineering and marine servieces	Drilling 23 water wells of +,- 300 feet and Install 8" upvc casing and screen for total depth in Nazwa, Margham	DEWA, purchase no:3441200265

2/3/2014	Sub contractor with Yanabee Al Ain Drilling Est	Drilling 60 water wells of +/- 1200 feet and Install 12" upvc casing and screen for total depth in Bida Fares, Al Ain area	ADFCA
2014- 2017	cash	drill water wells for farmes in range of 6 Nos / month in defferent erea of Al Ain	ADFCA
2017-2019	Sub contractor with Hoelscher Middle East Water & Infrastructure	Infrastructure Works for Emirati Neighbourhood Project – Abu Dhabi	DEWA, Reference no. G138/2017/DIN
2019-2020	Sub contractor with Trojan General Contracting LLC.	Baniyas North Development- Infrastructure, Villa & Streetscape- Phase 1 (1A&1B) Project	DEWA
2020-2023	Main Contractor	Privet Farm Work	

--Please see Attachments ( Pictures and Documents) on CD

Rigs and Equipment available:

Description	Capacity	Brand	Quantity
-------------	----------	-------	----------

Rig # 2	Depth: 300 Meter @ 420 mm, Diameter	AGBO	Two
Rig # 3, 4 and 5	up to 600 Meter @ 350 mm Diameter	Ingersol Rand T4W	Three
Mobile Crane	3 Tons	Nissan	Two
4 * 4 Pick up and Cars	Serve the drilling requirements	Japan	Four
Air compressors	Deferent sizes from 7 bar to 25 Bar	USA	Four

**Previous Projects:** During Years Al Mazraa Drilling Est, had Executed many drilling projects which means Thousands of water well. (See our website)
